Verse 1

I've got to ride that lonesome train
My heart is heavy with aches and pain
I said but someday, someday baby
After a while
You will be sorry

Verse 2

Every day, my clouds are gray
It takes you to roll all those clouds away
I said but someday, someday baby
After a while
You will be sorry

Bridge

Trouble, trouble, trouble on my mind
Trouble, trouble, way down the line
I don't need, I don't need no sympathy
So babe, babe, don't you, don't you pity me

Verse 3

I may be blue, but I don't mind
Because I know way down the line
I said but someday, someday baby
After a while
You will be sorry
