

Amie Chords by Damien Rice

[Intro]

C G Am F

[Verse]

C **G**
Nothing Unusual Nothing Strange
Am **F**
Close to nothing at all
Dm **Am**
The same old scenario the same old rain
F **G**
And there's no explosions here
C **G**
Then something unusual something strange
Am **F**
Comes from nothing at all
Dm **Am**
I saw a spaceship fly by your window
F **G**
Did you see it dissappear

[Chorus]

Am **F**
Amie come sit on my wall
G **C**
And read me the story of O
F **Em**
And tell it like you still believe
Dm
That the end of the century
G **C**
Brings a change for you and me

[Verse]

C **G**
Nothing unusual nothings changed
Am **F**
Just a little older thats all
Dm
You know when you've found it
Am
There's something I've learned
F **G**
Cause you feel it when they take it away
G **G**
hey hey hey...
C **G**
Something unusual something strange
Am **F**
Comes from nothing at all
Dm **Am**
But I'm not a miracle and you are not a saint
F **G**
Just another soldier on a road to nowhere

[Chorus] X2

Am **F**
Amie come sit on my wall
G **C**
And read me the story of O
F **Em**
And tell it like you still believe
Dm
That the end of the century
G **C**
Brings a change for you and me
