

NEW ENGLAND – BILLY BRAGG

Verse:

G
I was twenty-one years when I wrote this song
D **Em**
I'm twenty-two now, but I won't be for long
C **G**
People ask me when will you grow up to be a man
D
But all the girls I loved at school
C **G**
Are already pushing prams

Verse:

G
I loved you then as I love you still
D
Though I put you on a pedestal
Em
They put you on the pill
C **G**
I don't feel bad about letting you go
D **C**
I just feel sad about letting you know

Chorus:

C **G**
I don't want to change the world
Em
I'm not looking for a new England
C **Bm**
I'm just looking for another girl
C **G**
I don't want to change the world
Em
I'm not looking for a new England
C **G**
I'm just looking for another girl

Verse:

G
I loved the words you wrote to me
D **Em**
But that was bloody yesterday
C **G**
I can't survive on what you send
D **C** **G**
Every time you need a friend

Verse:

G
I saw two shooting stars last night
D **Em**
I wished on them but they were only satellites
C **G**
It's wrong to wish on space hardware
D **C**
I wish, I wish, I wish you'd care

Chorus:

C **G**
I don't want to change the world
Em
I'm not looking for a new England
C **Bm**
I'm just looking for another girl
C **G**
I don't want to change the world
Em
I'm not looking for a new England
C **G**
I'm just looking for another girl

Outro:

C **G**
Looking for another girl
C **G**
Looking for another girl
C **G**
Looking for another girl
