

## Four Seasons In One Day by Crowded House

[Intro]

Em - D - G - Am

[Verse 1]

Em D G

Four seasons in one day,

Am

lying in the depths of your imagination

Em D G

Worlds above and worlds below,

Am C

the sun shines on the black clouds hanging over The Domain

Bm C

Even when you're feeling warm,

Bm Am

the temperature could drop a-way

D G D

Like four seasons in one day

[Verse 2]

Em D G

Smiling as the shit comes down,

Am

you can tell a man from what he has to say

Em D G

Everything gets turned around,

Am C

and I will risk my neck a-gain, again

Bm C

You can take me where you will,

Bm Am

up the creek and through the mill

Bm C

Like all the things you can't explain,

D G

four seasons in one day

[Chorus]

C G D Em

Blood dries up like rain, like rain

C G D Em

Fills my cup, like four seasons in one day

[Instrumental Break]

Em - D - G - Am - - C - B - Em - D - G

[Bridge]

Am

It doesn't pay to make predictions

Em D G

Sleeping on an unmade bed,

Am C

finding out wherever there is comfort there is pain

Bm C

Only one step away,

D G

like four seasons in one day

[Chorus]

C G D Em

Blood dries up like rain, like rain

C G D Em

Fills my cup, like four seasons in one day
