All that I have is a river

The river is always my home

Lord, take me away for I just cannot stay

The water sustains me without even trying

The water can't drown me, I'm done

F C

With my dyy...ing

[Verse]

C G F

Please help me build a small boat

One that'll ride on the flow

C F Am F

Where the river runs deep, and the larger fish creep

C Dm F

I'm glad of what keeps me afloat

[Chorus]

C G C F

The water sustains me without even trying

C G Am

The water can't drown me, I'm done

F C

With my dyy...ing

[Verse]

C G F

Now deeper the water I sail

And faster the current I'm in

But each night brings the stars

Am F

And the song in my heart

Is a tune for the journeyman's tale

[Chorus]

C G C F

The water sustains me without even trying

C G Am

The water can't drown me, I'm done

And the line on the distance grows faint

C Dm C Dm

So wide is my river, the horizon a sliver

The artist has run out of paint

[Verse]

C G F

Where the blue of the sea meets the sky

And the big yellow sun leads me home

C F Am F

I'm everywhere now, the way is a vow

C Dm F

To the wind of each breath by and by

[Chorus]

C G C F

The water sustains me without even trying

C G Am

The water can't drown me, I'm done

F C

With my dyy...ing
